Celebrating our 143rd Annual Show

Mackay Sugar's Sugar Industry Exhibition

In addition to running the sugarcane competition this year, the Sugar Cane Subcommittee is excited to announce that Mackay Sugar will host this year's Sugar Industry Exhibition to be held for the three days of the Mackay Show.

In a prime position at Pavilion 4, just inside the main gates on Milton Street, the Sugar Industry Exhibition will focus on creating community awareness and interest in the rich history and importance of Mackay's sugar industry.

Showcasing a range of interactive displays from local companies that have a direct involvement with sugar production and processing, the exhibition aims to engage and inspire the next generation in securing the future of Mackay's sugar industry.

Please note that this is a COVID-19 safe event with Show regulations in place for the pavilion.

The Sugar Cane Subcommittee and the Mackay Show Association are excited to be back this year to bring people of our region together for the 142nd Show. Our new Sugar Industry Trade Exhibition will be a compelling reason for cane growers to spend more time at the Show this year, so please spread the word. See you there!
